

ANNUAL CONFERENCE EXHIBITION

University of Strathclyde, Glasgow
Tuesday 22 – Wednesday 23 September 2026

With optional half day workshop on 24 September 2026

Association of University Radiation Protection Officers

AURPO ANNUAL CONFERENCE & EXHIBITION

University of Strathclyde | Tuesday 22 – Wednesday 23 September 2026

This year's Annual Conference will be held at the University of Strathclyde. The Technology and Innovation Centre (TIC) is located on the southern edge of the John Anderson Campus in the Merchant City district in Glasgow. The university has recently been awarded Scottish University of the Year in The Times & Sunday Times Good University Guide 2026.

As many members will know, this is also the home of the AURPO Strathclyde Course, which many of you will have studied on.

Easy to get to

The venue is located just a short drive from Junction 15 of the M8 motorway. It is 11 miles from Glasgow Airport and the journey should take around 30 minutes depending on traffic.

If travelling by train, Glasgow Central is the city's main railway station and is a 15 minute walk from the venue.

Conference Building

The AURPO conference will be held at The Technology and Innovation Centre (TIC). The exhibition area will be in the foyer, just outside the main auditorium with a maximum of 15 table top stands. Refreshments and lunch will be served in this area.

Exhibition Stands include

- refreshments and lunch for up to two people
- electricity and table
- one free delegate place

Evening Networking events

As always AURPO will provide plenty of networking opportunities!

- Tuesday evening – an informal social meal at Drygate Brewery.
- Wednesday evening – The Annual Dinner at The Barony Hall.

Accommodation

We have reserved a number of rooms at The Moxy Merchant City for £139 per night including breakfast (single occupancy).

Please select on the booking form if you would like to book accommodation.
